

HINTS Wise or Otherwise #6

If you ever get a second chance for something, you've got to go all the way.

- Know your constellations
- Connie lost her typewriter
- Survived 1967 Forrestal Fire
- The scheduled flight from Sydney to LA dropped off radar
- You don't need to be an engineer to solve this mathematical transliteration
- He was a born survivor
- www.nts.gov/dockets/aviation/dca09ma026/420166.pdf
- The Molossoid
- What kind of a man gives cigarettes to trees?
- Roberto and Nando saved them
- It might behoove him to be heaved
